General Instructions

Section references are to the Internal Revenue Code.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 and you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Expect to work only part of the year;
- Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
- 3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2024)

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter: • \$29,200 if you're married filing jointly or a qualifying surviving spouse • \$21,900 if you're head of household • \$14,600 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Sten 4(h) of Form W-4	5	\$

Employer's Section: Employer's Name and Address	California Employer Payroll Tax Account Number

Purpose: The *Employee's Withholding Allowance Certificate* (DE 4) is for **California Personal Income Tax (PIT)** withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, *Employee's Withholding Allowance Certificate* (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form DE 4 to determine the appropriate California PIT withholding.

If you do not provide your employer with a DE 4, the employer must use Single with Zero withholding allowance.

Check Your Withholding: After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

Exemption From Withholding: If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

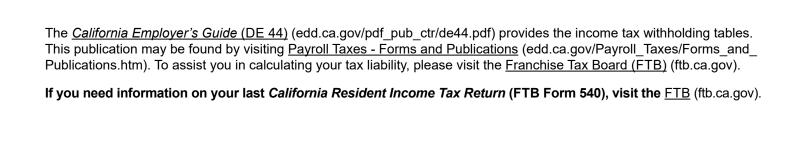

- 1. You did not owe any federal/state income tax last year, and
- 2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating **exempt** must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

Member Service Civil Relief Act: Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax withholding on your wages if

- (i) Your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) You are present in California solely to be with your spouse; and
- (iii) You maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

Notification: The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of Title 22, California Code of Regulations (CCR) (govt. westlaw.com/calregs/Search/Index), the FTB or the EDD may, by special direction in writing, require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

Penalty: You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the California Unemployment Insurance Code (leginfo. legislature.ca.gov/faces/codes.xhtml) and section 19176 of the Revenue and Taxation Code (leginfo.legislature.ca.gov/faces/codes.xhtml).

Worksheets

Instructions — 1 — Allowances*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

Two-Earners/Multiple Incomes: When earnings are derived from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

Married But Not Living With Your Spouse: You may check the "Head of Household" marital status box if you meet all of the following tests:

- 1) Your spouse will not live with you at any time during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; and
- (3) You will file a separate return for the year.

Head of Household: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

(F)	Total — add lines (A) through (E) above and enter on line 1a of the DE 4	(F)

Instructions — 2 — (Optional) Additional Withholding Allowances

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

Worksheet B Estimated Deductions

Use this worksheet **only** if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding.

- 1. Enter an estimate of your itemized deductions for California taxes for this tax year as listed in the schedules in the FTB Form 540 1.
- Enter \$10,726 if married filing joint with two or more allowances, unmarried head of household, or qualifying widow(er)
 with dependent(s) or \$5,363 if single or married filing separately, dual income married, or married with multiple employers
- 3. Subtract line 2 from line 1, enter difference = 3.
- 4. Enter an estimate of your adjustments to income (alimony payments, IRA deposits) + 4
- 5. Add line 4 to line 3, enter sum
- 6. Enter an estimate of your nonwage income (dividends, interest income, alimony receipts) 6
- 7. If line 5 is greater than line 6 (if less, see below [go to line 9]);

 Subtract line 6 from line 5, enter difference = 7.
- 8. Divide the amount on line 7 by \$1,000, round any fraction to the nearest whole number enter this number on line 1b of the DE 4. Complete Worksheet C, if needed, otherwise **stop here**.
- 9. If line 6 is greater than line 5;
 - Enter amount from line 6 (nonwage income) 9.
- 10. Enter amount from line 5 (deductions)
- 11. Subtract line 10 from line 9, enter difference. Then, complete Worksheet C.

*Wages paid to registered domestic partners will be treated the same for state income tax purposes as wages paid to spouses for California PIT withholding and PIT wages. This law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at 1-888-745-3886.

1.	Enter estimate of total wages for tax year 2024.	1.	
2.	Enter estimate of nonwage income (line 6 of Worksheet B).	2.	
3.	Add line 1 and line 2. Enter sum.	3.	
4.	Enter itemized deductions or standard deduction (line 1 or 2 of Worksheet B, whichever is largest).	4.	
5.	Enter adjustments to income (line 4 of Worksheet B).	5.	
6.	Add line 4 and line 5. Enter sum.	6.	
7.	Subtract line 6 from line 3. Enter difference.	7.

10.	Subtract line 9 from line 8. Enter difference.	10.	
11.	Enter any tax credits. (See FTB Form 540).	11.	
12.	Subtract line 11 from line 10. Enter difference. This is your total tax liability.	12.	
13.	the amount that will be withheld on your wages based on the marital status and number of withholding allowances you will claim for 2024. Multiply the estimated amount to be withheld by the number of pay		
	periods left in the year. Add the total to the amount already withheld for 2024.	13.	
14.	Subtract line 13 from line 12. Enter difference. If this is less than zero, you do not need to have additional taxes withheld.	14.	
15.	Divide line 14 by the number of pay periods remaining in the year. Enter this figure on line 2 of the DE 4.	15.	

Note: Your employer is not required to withhold the additional amount requested on line 2 of your DE 4. If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

ON-DUTY MEAL AND REST PERIODS CO-EMPLOYER

In California, employees are entitled to certain meals and rest periods based on the length of their work shifts. Here are the general guidelines for meal and rest periods:

1. Meal Periods:

- Shifts of more than 5 hours: Employees are entitled to a 30-minute uninterrupted meal break. This break should be provided no later than the end of the employee's fifth hour of work.
- Shifts of more than 10 hours: If the employee's shift extends beyond 10 hours, they are entitled to
 a second 30-minute meal break. This second meal break should be provided no later than the
 end of the employee's tenth hour of work.
- Meal breaks are unpaid, and the employee should be relieved of all work duties during this time.

2. Rest Periods:

- Shifts of more than 3.5 hours: Employees are entitled to a 10-minute rest break for every 4 hours (or major fraction thereof) worked.
- Rest breaks should be provided in the middle of each work period if feasible.
- Rest breaks are paid time, and the employee should be free to use this time for their own personal activities.

By signing this acknowledgment, I confirm the nature of my position as a domestic service worker/ personal attendant, requires my support and supervision at all times. Failure to provide said level of support poses a health and safety risk for the person served. Therefore, I acknowledge my meal period as a paid, on-duty meal period.

I understand that I have the right to decline this on-duty meal period without facing any adverse consequences and will ensure that my work shifts are less than 5 hours; this would not require a meal period.

Agreement Duration: This authorization for on-duty meal period entitlement will remain in effect until either party decides to terminate it. I understand that I have the right to decline this on-duty meal period without facing any adverse consequences and will ensure that my work periods are less than 5 hours.
